TC LETTER NO: 02-07

TO: CHILD SUPPORT TRAINING COORDINATORS

SUBJECT: INVITATION TO PARTICIPATE IN THE TRAINING FOR TRAINERS
CERTIFICATION PROGRAM – NORTHERN EVENT

The Department of Child Support Services' (DCSS) Training Team is pleased to announce and provide information regarding the second DCSS Training for Trainers Certification Program Event.

Program Information

The DCSS Trainer Certification Program will ensure that individuals involved in California's child support training program are trained and certified to perform one of two specified training functions:

- Presenters, individuals who deliver training material to child support staff.
- Trainers, individuals who analyze training needs, design and develop curriculum, deliver training to child support staff and evaluate the effectiveness of training.

Individuals who complete this training will be certified instructors of the Training for Trainers certification and will participate with their peers to ensure the trainer certification needs of their counties are met. In addition, these individuals will be added along with those certified at the June event, to a statewide list of available certified trainers who will be utilized for future training presentations and curriculum development.

The Training for Trainers curriculum is Office of Child Support Enforcement certified. The program is facilitated by certified trainers and is designed to build professional trainer competencies.

Participant Recommendations

Having a cadre of certified trainers from a wide spectrum of professional classifications is important to the credibility of the statewide child support training program.
